

## NXCT application form requirements

To use a piece of equipment at an NXCT facility, including the X-ray CT scanners and in situ stages or environments, you need to fill in an [online application form here](#).

Below is a list of key information you will require when filling in the form:

- Name
- Email address
- Telephone number
- Organisation
- Project title
- A brief overview of the work you would like to conduct
- Eligibility for Free Beamtime Access Scheme ([further details available here](#))
- Cost code for internal projects
- Piece of equipment you would like to access
- Sample details including:
  - No. of samples
  - Composition
  - Shape
  - Region of interest
  - Are samples hazardous?
- Do you require in-situ testing?

If you're not quite ready to make an application or would like to discuss the process in more detail please fill in our [enquiry form here](#).
